## TERM 4, WEEK 8 2019

All students return to school on  
**WEDNESDAY 29th**  
**JANUARY 2020**

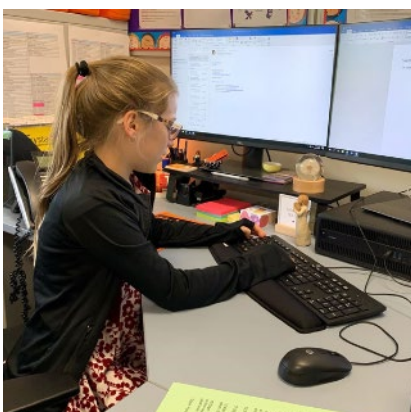

### Positive Behaviour for Learning (PBL) - 'Student Principal for the Day' experiences

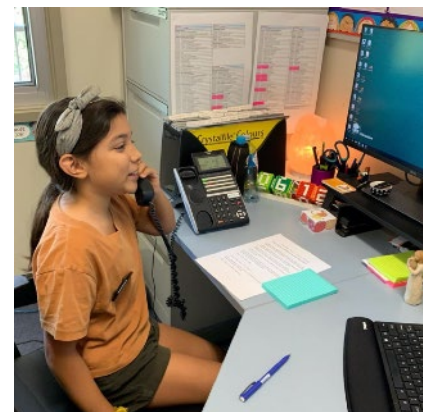

This term, students have been earning Jewel Cards every time a staff member witnesses them following our three school expectations- Be Caring, Be Respectful and Being a Learner. Once students have accrued fifteen Jewel Cards they are able to exchange them for a reward. We have had seven students choose the reward to experience being a Student Principal and have had to take on all the responsibilities of running the school!

Each of these students have done a tremendous job with every task they have undertaken such as leading finance meetings, making phone calls to parents, paying staff, organising weekly events, visiting classes, WHS inspections and even found time for a well-earned cup of tea in the staffroom!

I can only hope that perhaps this insight into the best job in the world might inspire them into a career in educational leadership! So very proud of all them. Thank you for taking such great care of our school!

## Swimming Program

Students are currently enjoying their intensive learn-to-swim and stroke correction lessons at the Mullumbimby Pool. Thank you to all for your fast payment of bus hire cost and pool entry. The NSW Department of Education fund the entire cost of these ten lessons for all our students from Kindergarten to Year Six. You are more than welcome to come on down to the pool each morning from 9:30 if you want to watch your child in these lessons! They are doing so well!

## Awards Assembly Celebration 16/12

Hopefully, you have already returned your invitation to our Awards Assembly on Monday 16th December as we would love to know any of your dietary requirements for lunch. Our celebration morning will run as follows:
