

Durrumbul Public School NEWSLETTER

Term Two Week Nine

Principal: Mrs Lauren Hankinson

School starts at 8:55am and finishes at 2:45pm. Please ensure students arrive at school on time to ensure their best educational chances and to minimise disruption to other students.

OLYMPIAN RELLIE KAPUTIN

We were so lucky to have Phillip Newton who is an Elite Performance Coach and Olympian Rellie Kaputin at Durrumbul Public School to train our students for the upcoming VoSS Athletics Carnival. Both Phillip and Rellie trained the students in shot put, discus, running and hurdles for a morning session. Rellie is from the township of Rabaul, East New Britain Province in Papua New Guinea and is off to compete in long jump at the Tokyo Olympics next week! She is ranked 60th in the world and dreams of getting into the final. The qualifying distance is 6.50m and this is her personal best. She is the only Athletics competitor from PNG going to the Tokyo Olympics. Rellie competed in the recent Commonwealth Games on the Gold Coast in both triple jump and long jump. You can follow her on Instagram [@thejumpqueen](#). All of the staff and students will be wishing her the best when she competes and cheering loud enough that she might be able to hear us!

Don't forget that the VoSS Athletics Carnival is on next Tuesday 22nd June at the Cavanbah Centre, 249 Ewingsdale Road, Byron Bay between 9:45am and 1pm. Events start at 10am. This is a regular school day and all students are to attend. Parents must arrange transport to and from the venue for their children. There will be no staff remaining at school for supervision for students who do not attend the carnival.

WINTER CHILLS

Winter is upon us! Please remember to make sure that your children have warm clothes for school. Some children feel the cold more than others. If you are aware that your child feels the cold, please make sure to pack them an extra jumper or coat and ensure that their legs are covered too.

LOCAL FRUIT

We are so excited to see our fruit trees orchard in abundance with so much delicious fruit. Students have been enjoying eating fresh oranges and then even juicing them into fresh yummy orange juice. It doesn't get better than that!

PRE-SCHOOL CONNECTIONS

This week, we looked forward to heading over to Durrumbul Community Pre-School to join in with their regular morning fitness and relaxation session. Students from the Pre-School and our school enjoyed combining together to play active, fun games and getting to know each other better. We look forward to making this a regular event. It is such a great way to start the day!

WEEKLY AWARDS

CREATIVE ARTS SHOWCASE

Next Thursday 24th June at 9am, all families are invited to our Art Studio to look at displays of student work undertaken in art lessons over the past two terms. Students have also created a video performance of two plays, in their drama lessons, that will be premiering for the first time, for you to enjoy. The students are also keen to show their stop-motion movies they have been creating using iPad technology. We look forward to sharing all of their work with you at this special morning showcase.

Please remember to sign in and sign the COVID tracking sheet at the office before heading over to the Showcase in the Art Studio.
